

"OTANFREIGHT" LLP

International cargo
transportation and
customs escort

OUR COMPANY

The Otanfreight LLP is locally based company, working since 2012. We are pleased to offer a wide range of logistics services for international and local cargo transportation in all directions, from Europe, China, Americas, the Customs Union and other countries to/from any point in Kazakhstan and Central Asia (Turkmenistan, Uzbekistan, Tajikistan). We provide transportation services by all transport modes - air, road (LTL/FTL), rail (containers/wagons) and ocean (LCL/FCL). Our key service is COMPLETE SERVICE COVERAGE “from door to door”, covering full customs support at origin and destination. Our company also helps buyers and sellers to smoothly and easy trade goods, without involvement in import / export operations (export/import license, DDP/DDU terms).
